

Name of the I	Product Bifido Selective Supplement B		
Code No.	MS 2251		
Section 1	: Chemical Identification		
	Code No. : MS 2251		
	Name of the Product : Bifido Selective Supplement B		
	Produced by : Central Drug House Pvt. Ltd.		
	Address : 7/28 Vardaan House, Darya Ganj, New Delhi (INDIA)		
	Tel. No. : 00 91 11 49404040		
Section 2	Hazards Identification		
Jeetion 2			
	2.1 Classification of the substance or mixture  CLP Classification-Regulation (EC) No. 1272/2008[EU-GHS/CLP]		
	Not a hazardous substance or mixture according to Regulation (EC) No.1272/2008.		
ı	2.2 Label elements		
	Labeling according to Regulation (EC) No.1272/2008		
	The product does not need to be labelled in accordance with EC directives or respective national laws.		
	2.3 Other Hazards		
	None		
Section 3	Composition/Information On Ingredients		
	3.1 Mixture		
	No components need to be disclosed according to the applicable regulations. This substance is nonhazardous.		
Section 4	First - Aid Measures		
	4.1 Description of first aid measures		
	General advice		
	Consult a physician. Show this safety data sheet to the doctor in attendance.		
	If inhaled		
	If breathed in, move person into fresh air. If not breathing, give artificial respiration. Consult a physician.		
	In case of skin contact		
	Wash with plenty of soap and water. Consult a physician.		
	In case of eye contact		
	Rinse immediately with plenty of water for at least 15 minutes. Consult a physician.		
	If swallowed  Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a		
	physician.		
	4.2 Most important symptoms and effects, both acute and delayed  No data available.		
	4.3 Indication of immediate medical attention and special treatment needed		
	No data available		
Section 5	Fire Fighting Measures		
Section 5	Fire Fighting Measures		
	5.1 Extinguishing media		
	Suitable extinguishing media		
	Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.		
	Unsuitable extinguishing media		
	No data available.		

		special hazards arising from the substance or mixture
		lature of decomposition products not known.  Precautions for fire-fighters
		Vear self contained breathing apparatus for fire fighting if necessary
		urther information
		o data available
Section 6	Accidental Re	elease Measures
	6.1 P	Personal precautions, protective equipment and emergency procedures
	W	Vear respiratory protection. Avoid breathing vapours, mist or gas. Ensure adequate
	V	entilation. Evacuate personnel to safe areas.
	6.2 E	invironmental precautions
	Р	revent further leakage or spillage if safe to do so. Do not let product enter drains.
		Nethods and materials for containment and cleaning up
		oak up with inert absorbent material. Keep in suitable, closed containers for disposal.
		Reference to other sections
	F	or disposal see Section 13.
Section 7		
	Handling and	
		Precautions for safe handling
		woid contact with skin and eyes. Avoid inhalation of vapour or mist. Normal neasures for preventive fire protection.
		Conditions for safe storage, including any incompatibilities
	_	tore in cool place. Keep container tightly closed in a dry and well-ventilated place. Containers which
		re opened must be carefully resealed and kept upright to prevent leakage.
		Recommended Storage Temperature: On receipt store between 2-8°C
		Specific end uses
		spart from the uses mentioned in section 1.2 no other specific uses are stipulated.

Gloves must be inspected prior to use. Use proper glove removal technique (without exching glove's outer surface) to avoid skin contact with this product. Dispose contaminated gloves after see in accordance with applicable laws and good laboratory practices. Wash and dry hands. The selected exposed protection and the standard EN 374 derived from it.  Perface protection of the standard EN 374 derived from it.  Perface protection of the dangerous substance at the specific workplace.  Perface protection of the dangerous substance at the specific workplace.

	respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).  Environment exposure controls  Do not empty into drains.				
Section 9	Physical and Chemical Properties				
	9.1 Information on basic physical and chemical properties				
	Appearance Odour No data available Odour Threshold No data available No data available PH No data available Melting/freezing point No data available Initial boiling point and boiling range Flash point No data available Flammability (Solid, gas) No data available Vapour pressure No data available Relative density No data available Water Solubility Partition coefficient: n-octanol/water Autoignition Temperature No data available Viscosity No data available Viscosity No data available Viscosity No data available Viscosity No data available Explosive properties No data available No data available				
	Oxidizing properties  Vapour density  Thermal decomposition  9.2 Other safety information  No data available				
Section 10	Stability and Reactivity				
	10.1 Reactivity No data available  10.2 Chemical stability No data available  10.3 Possibility of hazardous reactions No data available  10.4 Conditions to avoid No data available  10.5 Incompatible materials No data available  10.6 Hazardous decomposition products No data available				

Section 11	Toxicological Information		
	11.1 Information on toxicological effects  Acute toxicity No data available Skin corrosion/irritation No data available Serious eye damage/eye irritation No data available Respiratory or skin sensitisation No data available Germ cell mutagenicity No data available Carcinogenicity IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC. Reproductive toxicity No data available Specific target organ toxicity- single exposure No data available Specific target organ toxicity - repeated exposure No data available Specific target organ toxicity - repeated exposure No data available Aspiration hazard No data available Potential Health Effects Inhalation REFER SECTION 2 Skin REFER SECTION 2 Ingestion REFER SECTION 2 Ingestion REFER SECTION 2 Additional Information RTECS: Not Available		
Section 12	Ecological Information		
	12.1 Toxicity No data available  12.2 Persistence and degradability No data available  12.3 Bioaccumulative potential No data available  12.4 Mobility in soil No data available  12.5 PBT and vPvB assessment This substance or mixture contains no components considered to be persistent, bioaccumulating nor toxic (PBT) at levels of 0.1% or higher.  12.6 Other adverse effects No data available		
Section 13	Disposal Considerations		

	13.1 Waste treatments methods		
	Product		
	Offer surplus and non-recyclable solutions to a licenced disposal company. Contact a		
	licenced professional waste disposal service to dispose off this material.		
	13.2 Contaminated packaging		
	Dispose of as unused product.		
Section 14	Transport Information		
	14.1 UN-No		
	ADNR : ADR : IATA_P : IMDG : RID :		
	14.2 UN proper shipping name		
	ADNR : Not dangerous goods		
	ADR : Not dangerous goods		
	IATA_C : Not dangerous goods		
	IATA_P : Not dangerous goods		
	IMDG : Not dangerous goods		
	RID : Not dangerous goods		
	14.3 Transport hazard class(es)		
	ADNR : - ADR : - IATA_C : - IATA_P : - IMDG : - RID : -		
	14.4 Packaging group		
	ADNR : ADR : IATA_C : IATA_P : IMDG : RID :		
	14.5 Environmental hazards		
	ADNR: No ADR: No IMDG: Marine pollutant No IATA_C: No IATA_P: No RID: No		
	14.6 Special precautions for use		
	No data available		
Section 15	Regulatory Information		
	This safety datasheet complies with the requirements of Regulation (EC) No. 1907/2006.		
	15.1 Safety health and environment regulations/legislation specific for the substance or mixture		
	No data available		
	15.2 Chemical Safety Assessment		
	No data available		
Section 16	Further Information		
3000001110			
	The information contained in this data sheet represents the best information currently available to us. However, no		
	warranty is made with respect to its completeness and we assume no liability resulting from its use. The information is		
	offered solely for user's obligation to investigate and determine the suitability of the information for their particular		
	purpose.
