

Material Safety Data Sheet

	Name of the Product		Malonate Broth,Ewing Modified			
Code No.			DM1779			
Section 1	: Chemical Identification		DN44770			
	Code No.	:	DM1779	N 4 = d:£: = d		
		Name of the Product : Malonate Broth, Ewing Modified				
	Produced by : Central Drug House Pvt. Ltd.					
	Address Tel. No.	:	: 7/28 Vardaan House, Darya Ganj, New Delhi (INDIA) : 00 91 11 49404040			
C		•		La constitue de la constitue d	0	
Section 2	Composition		Grams/Litre	Ingredients	Grams/Litre	
	Ingredients Yeast extract		1.00	*Ammonium sulphate	2.00	
	Dipotassium phosphate		0.60	· ·	0.40	
				Monopotassium phosphate Sodium malonate	3.00	
	Sodium chloride		2.00			
	Dextrose		0.25	Bromo thymol blue	0.025	
	Final pH (at 25°C)		6.7±0.2			
	* Irritant material					
	Ammonium sulphate					
	CAS No. : 7783-20-2					
	R: 36/37/38 S: 26-36					
Skin irritation	RTECS : BS 4500000					
Section 3	Hazards Identification					
	Hazard: This symbol designates substances which may have an irritant effect on skin, eyes and respiratory organs. Caution: Do not breathe vapours and avoid contact with skin and eyes.					
Skin irritation	Caution : Do not breathe vap	ours an	id avoid contact with Skii	i and eyes.		
Section 4	First - Aid Measures					
	In case of swallowing, wash out mouth with water provided person is conscious. In case of skin contact, flush with copious					
	amounts of water for at least 15 minutes. Remove contaminated clothing and shoes. In case of inhalation, remove to fresh air					
	If breathing becomes difficult, call physician. In case of contact with eyes, wash with copious amounts of water for at least 15					
	minutes. Assure adequate washing by separating the eyelids with fingers. In serious conditions, call a physician, show the

Section 6	minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water of Carbon dioxide, dry chemical apparatus and protective cloon Accidental Release Measures Wear respirator, chemical sand disposal. Avoid raising dust. Wear and Storage Handling and Storage Handling - Refer to Section 8	spray. I powde thing to res fety gog Ventilat	oy separating the eyelids or or appropriate foam. So o prevent contact with sk ggles, rubber boots and he e area and wash spill site	with fingers. In serious conditions, ca pecial fire-fighting procedures. Wear in and eyes. leavy rubber gloves. Sweep up, place	all a physician, show the	
Section 6 Section 7	minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water so Carbon dioxide, dry chemical apparatus and protective clooparatus and protectiv	spray. I powde thing to res fety gog Ventilat	or or appropriate foam. So prevent contact with skingers, rubber boots and he area and wash spill site	with fingers. In serious conditions, ca pecial fire-fighting procedures. Wear in and eyes. leavy rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7	minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water so Carbon dioxide, dry chemical apparatus and protective clooparatus and protectiv	spray. I powde thing to res fety gog Ventilat Sonal Pro	or or appropriate foam. So prevent contact with skingers, rubber boots and he area and wash spill site	with fingers. In serious conditions, ca pecial fire-fighting procedures. Wear in and eyes. leavy rubber gloves. Sweep up, place	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8	minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water so Carbon dioxide, dry chemical apparatus and protective cloon Accidental Release Measures Wear respirator, chemical sandisposal. Avoid raising dust. Meandling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MS	spray. I powde thing to res fety gog Ventilat Sonal Pro	er or appropriate foam. So prevent contact with skeepers, rubber boots and he area and wash spill site	with fingers. In serious conditions, ca pecial fire-fighting procedures. Wear in and eyes. leavy rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8	minutes. Assure adequate with container or label. Fire Fighting Measures Extinguishing Media. Water standard apparatus and protective cloop accidental Release Measures Wear respirator, chemical sand disposal. Avoid raising dust. Meandling and Storage Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Meandling - Refer MioSH/MS Mechanical exhaust required	spray. I powde thing to res fety gog Ventilat Sonal Pro SHA-app I. opertie	or or appropriate foam. So prevent contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles and wash s	with fingers. In serious conditions, ca pecial fire-fighting procedures. Wear in and eyes. leavy rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8	minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water's Carbon dioxide, dry chemical apparatus and protective clo Accidental Release Measures Wear respirator, chemical sandisposal. Avoid raising dust. Wear respirator of the second secon	spray. I powde thing to res fety gog Ventilat Sonal Pro SHA-app I. opertie	or or appropriate foam. So prevent contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles and wash s	with fingers. In serious conditions, ca pecial fire-fighting procedures. Wear in and eyes. leavy rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7	minutes. Assure adequate with container or label. Fire Fighting Measures Extinguishing Media. Water's Carbon dioxide, dry chemical apparatus and protective cloon Accidental Release Measures Wear respirator, chemical sand disposal. Avoid raising dust. Wear respirator of the containing of the contain	spray. I powde thing to res fety gog Ventilat Sonal Pro SHA-app I. opertie	or or appropriate foam. So prevent contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles, rubber boots and he area and wash spill site of the contact with skeep geles and wash s	with fingers. In serious conditions, ca pecial fire-fighting procedures. Wear in and eyes. leavy rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8 Section 9	minutes. Assure adequate with container or label. Fire Fighting Measures Extinguishing Media. Water is Carbon dioxide, dry chemical apparatus and protective cloon decidental Release Measures wear respirator, chemical sand disposal. Avoid raising dust. Wear and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MS Mechanical exhaust required Physical and Chemical Production of the progression of the progress	spray. I powde thing to res fety gog Ventilat GHA-app I. ppertie powder	or or appropriate foam. So prevent contact with skingles, rubber boots and he area and wash spill site of the contact with skingles, rubber boots and he area and wash spill site of the contact with skingles, rubber boots and he area and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and he contact w	pecial fire-fighting procedures. Wear in and eyes. The average ready rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8 Section 9	minutes. Assure adequate with container or label. Fire Fighting Measures Extinguishing Media. Water is Carbon dioxide, dry chemical apparatus and protective cloon decidental Release Measures wear respirator, chemical sand disposal. Avoid raising dust. Wear and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MS Mechanical exhaust required Physical and Chemical Production of the progression of the progress	spray. I powde thing to res fety gog Ventilat GHA-app I. opertie powder stored stored stored stored	or or appropriate foam. So prevent contact with skingles, rubber boots and he area and wash spill site of the contact with skingles, rubber boots and he area and wash spill site of the contact with skingles, rubber boots and he area and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and he contact w	with fingers. In serious conditions, ca pecial fire-fighting procedures. Wear in and eyes. leavy rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8 Section 9	minutes. Assure adequate with container or label. Fire Fighting Measures Extinguishing Media. Water is Carbon dioxide, dry chemical apparatus and protective cloop Accidental Release Measures Wear respirator, chemical sandisposal. Avoid raising dust. Wear and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MS Mechanical exhaust required Physical and Chemical Production Appearance: Homogeneous Colour: Light green Stability and Reactivity Stability: Product is stable if	spray. I powde thing to res fety gog Ventilat GHA-app I. opertie powder stored : 45°C.	or or appropriate foam. So prevent contact with skingles, rubber boots and he area and wash spill site of the contact with skingles, rubber boots and he area and wash spill site of the contact with skingles, rubber boots and he area and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and wash spill site of the contact with skingles, rubber boots and he contact w	pecial fire-fighting procedures. Wear in and eyes. The average ready rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8 Section 9	minutes. Assure adequate with container or label. Fire Fighting Measures Extinguishing Media. Water is Carbon dioxide, dry chemical apparatus and protective cloon decidental Release Measures wear respirator, chemical sand disposal. Avoid raising dust. Wear and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MS Mechanical exhaust required Physical and Chemical Production of the product of the product is stable if potency/performance above	spray. I powde thing to res fety gog Ventilat GHA-app I. ppertie powder stored: 45°C. d light.	or or appropriate foam. So prevent contact with skingsles, rubber boots and he area and wash spill site of tection proved respirator, chemicals are per the conditions specifications.	pecial fire-fighting procedures. Wear in and eyes. The average ready rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8 Section 9	minutes. Assure adequate with container or label. Fire Fighting Measures Extinguishing Media. Water is Carbon dioxide, dry chemical apparatus and protective cloon decidental Release Measures wear respirator, chemical sate disposal. Avoid raising dust. Wear and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MS Mechanical exhaust required Physical and Chemical Production of the Physical and Chemical Product is stable if potency/performance above Conditions to avoid : Heat and	spray. I powde thing to res fety gog Ventilat GHA-app I. ppertie powder stored: 45°C. d light.	or or appropriate foam. So prevent contact with skingsles, rubber boots and he area and wash spill site of tection proved respirator, chemicals are per the conditions specifications.	pecial fire-fighting procedures. Wear in and eyes. The average ready rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8 Section 9 Section 10	minutes. Assure adequate with container or label. Fire Fighting Measures Extinguishing Media. Water is Carbon dioxide, dry chemical apparatus and protective cloon decidental Release Measures Wear respirator, chemical sand disposal. Avoid raising dust. Wear respirator, chemical sand disposal. Avoid raising dust. Wear respirator, chemical sand disposal. Avoid raising dust. Wear and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MS Mechanical exhaust required Physical and Chemical Product and Chemical Product is Light green Stability and Reactivity Stability : Product is stable if potency/performance above Conditions to avoid : Heat an Hazardous polymerization with the containing the stability and Reactivity is the stable in the stability of the stable in the stability of the stable in the stable in the stability is product in the stability and Reactivity is the stable in the stability of the stability is potential to the stability of the stable in the stability is product in the stability in the stability is product in the stability is potential to the stability is product in the stability is	spray. I powde thing to res fety gos Ventilat SHA-appl. Departie powder stored a 45°C. Id light.	er or appropriate foam. So prevent contact with skeepels, rubber boots and he area and wash spill site of tection proved respirator, chemical section as per the conditions specific ccur.	pecial fire-fighting procedures. Wear in and eyes. The average ready rubber gloves. Sweep up, place after material pickup is complete.	selfcontained breathing in a bag and hold for wast

Material Safety Data Sheet

	Data not available					
Section 13	Disposal Considerations					
	On completion of work all used or unusable preparations of this product and derivatives thereof are to be disposed off by					
	autoclaving and/or by incineration. Dispose off waste in accordance with all applicable Federal, State and local laws.					
Section 14	Transport Information					
	UN No. : Not applicable.					
Section 15	Regulatory Information					
	Risk Phrases: Irritating to eyes, respiratory system and skin					
	Safety Phrases: In case of contact with eyes, rinse immediately with plenty of water and seek medical advice					
	Safety Phrases: Wear suitable protective clothing					
	Significance of signs: This symbol designates substances which may have an irritant effect on skin, eyes and respiratory					
	organs					
Skin irritation						
Section 16	Other Information
