## Material Safety Data Sheet

Name of the F	Product		asein Acid Hydrolysate		
Code No.		DM2254			
Section 1	Chemical Identification				
	Code No. : DM2254   Name of the Product : Minimum Salts w/ Casein Acid Hydrolysate   Produced by : Central Drug House Pvt. Ltd.   Address : 7/20 Verdeen House Date: Cent Drug House Pvt. Ltd.				
				Address Tel. No.	
	Section 2	Composition	Grams/Litre	Ingredients	Grams/Litre
Ingredients		4.00	Diagdium kudua san ukaankata	C 00	
Casein acid hydrolysate		4.00 3.00	Disodium hydrogen phosphate Sodium chloride	6.80 0.50	
Monopotassium hydrogen phosphate		5.00	Soulum chloride	0.50	
*Ammonium chloride		1.00	Dextrose	4.00	
	Magnesium sulphate	0.24			
	Final pH (at 25°C)	6.8±0.2			
	* Harmful material				
	Ammonium chloride				
	CAS No. : 12125-02-9				
Skin irritation	R : 22-36	S : 22			
	RTECS : BP 4550000				
Section 3	Hazards Identification				
	Hazard : Inhalation and ingestion of, or skin penetration by these substances is harmful to one's health.Non-recurring,				
	recurring or lengthy exposure to these substances may result in irreversible damage.Caution : Avoid contact with the				
Skin irritation	human body, including inhalation of the vapours and in cases of malaise consult a doctor.

Section 5	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontained Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du	on of the vapours and in ca mouth with water provide 5 minutes. Remove contain difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s y goggles, rubber boots an	ses of malaise consult a doctor. d person is conscious. In case of skin co- inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop- ating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe protective clothing to prevent contact d heavy rubber gloves. Sweep up, place	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for	
Section 5 Section 6	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontainer Accidental Release Measure Wear respirator, chemical safet	on of the vapours and in ca mouth with water provide 5 minutes. Remove contarr difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s y goggles, rubber boots an	ses of malaise consult a doctor. d person is conscious. In case of skin co- inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop- ating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe protective clothing to prevent contact d heavy rubber gloves. Sweep up, place	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for	
Section 5 Section 6	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontained Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du Handling and Storage	on of the vapours and in ca mouth with water provide 5 minutes. Remove contarr difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s y goggles, rubber boots an	ses of malaise consult a doctor. d person is conscious. In case of skin co- inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop- ating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe protective clothing to prevent contact d heavy rubber gloves. Sweep up, place	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for	
Section 5 Section 6	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontained Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du Handling and Storage Handling - Refer to Section 8	on of the vapours and in ca mouth with water provide 5 minutes. Remove contarr difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s y goggles, rubber boots an ust. Ventilate area and wash	ses of malaise consult a doctor. d person is conscious. In case of skin co- inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop- ating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe protective clothing to prevent contact d heavy rubber gloves. Sweep up, place	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for	
Section 5 Section 6 Section 7	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontained Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Persona	on of the vapours and in ca mouth with water provide 5 minutes. Remove contar difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s y goggles, rubber boots an ust. Ventilate area and wash	ses of malaise consult a doctor. d person is conscious. In case of skin co- inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop- ating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe protective clothing to prevent contact d heavy rubber gloves. Sweep up, place	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for plete.	
Section 5 Section 6 Section 7 Section 8	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontained Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Persona Wear appropriate NIOSH/MSH/	on of the vapours and in ca mouth with water provide 5 minutes. Remove contar difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s y goggles, rubber boots an ust. Ventilate area and wash al Protection A-approved respirator, cher	ses of malaise consult a doctor. d person is conscious. In case of skin co inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop rating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe protective clothing to prevent contact d heavy rubber gloves. Sweep up, place n spill site after material pickup is comp	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for plete.	
Section 5 Section 6 Section 7 Section 8	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontainee Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Persona Wear appropriate NIOSH/MSH/ Mechanical exhaust required.	on of the vapours and in ca mouth with water provide 5 minutes. Remove contam difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s cy goggles, rubber boots an ust. Ventilate area and wash al Protection A-approved respirator, cher erties	ses of malaise consult a doctor. d person is conscious. In case of skin co inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop rating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe protective clothing to prevent contact d heavy rubber gloves. Sweep up, place n spill site after material pickup is comp	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for plete.	
Section 5 Section 6 Section 7 Section 8	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontained Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Persona Wear appropriate NIOSH/MSH/ Mechanical exhaust required.	on of the vapours and in ca mouth with water provide 5 minutes. Remove contam difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s cy goggles, rubber boots an ust. Ventilate area and wash al Protection A-approved respirator, cher erties	ses of malaise consult a doctor. d person is conscious. In case of skin co inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop rating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe protective clothing to prevent contact d heavy rubber gloves. Sweep up, place n spill site after material pickup is comp	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for plete.	
Section 5 Section 6 Section 7	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontained Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Persona Wear appropriate NIOSH/MSH/ Mechanical exhaust required. Physical and Chemical Prope	on of the vapours and in ca mouth with water provide 5 minutes. Remove contam difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s cy goggles, rubber boots an ust. Ventilate area and wash al Protection A-approved respirator, cher erties	ses of malaise consult a doctor. d person is conscious. In case of skin co inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop rating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe protective clothing to prevent contact d heavy rubber gloves. Sweep up, place n spill site after material pickup is comp	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for plete.	
Section 5 Section 6 Section 7 Section 8 Section 9	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontainer Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Persona Wear appropriate NIOSH/MSH/ Mechanical exhaust required. Physical and Chemical Prope Appearance : Homogeneous po Colour : Light yellow Stability and Reactivity Stability : Product is stable if sto	on of the vapours and in ca mouth with water provide 5 minutes. Remove contarr difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s cy goggles, rubber boots an ust. Ventilate area and wash al Protection A-approved respirator, che erties wder	ses of malaise consult a doctor. d person is conscious. In case of skin co- inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop- rating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe- protective clothing to prevent contact d heavy rubber gloves. Sweep up, place n spill site after material pickup is com- mical-resistant gloves, safety goggles, o	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for plete.	
Section 5 Section 6 Section 7 Section 8 Section 9 Section 10	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontainee Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Persona Wear appropriate NIOSH/MSH/ Mechanical exhaust required. Physical and Chemical Prope Appearance : Homogeneous po Colour : Light yellow Stability and Reactivity Stability : Product is stable if sto potency/performance above 45	on of the vapours and in ca mouth with water provide 5 minutes. Remove contarr difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s cy goggles, rubber boots an ust. Ventilate area and wash al Protection A-approved respirator, che erties wder	ses of malaise consult a doctor. d person is conscious. In case of skin co- inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop- rating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe- protective clothing to prevent contact d heavy rubber gloves. Sweep up, place n spill site after material pickup is com- mical-resistant gloves, safety goggles, o	ontact,flush with copiou halation, remove to bious amounts of water us conditions, call a ecial fire-fighting with skin and eyes. e in abag and hold for plete.	
Section 5 Section 6 Section 7 Section 8 Section 9	First - Aid Measures In case of swallowing, wash out amounts of water for at least 1 fresh air. If breathing becomes for at least 15 minutes. Assure physician, show the container of Fire Fighting Measures Extinguishing Media. Water spr procedures. Wear selfcontained Accidental Release Measure Wear respirator, chemical safet waste disposal. Avoid raising du Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Persona Wear appropriate NIOSH/MSH/ Mechanical exhaust required. Physical and Chemical Propo Appearance : Homogeneous po Colour : Light yellow Stability and Reactivity Stability : Product is stable if sto potency/performance above 45 Toxicological Information	on of the vapours and in ca mouth with water provide 5 minutes. Remove contain difficult, call physician. In c adequate washing by separ or label. ay.Carbon dioxide, dry che d breathing apparatus and s cy goggles, rubber boots an ust. Ventilate area and wash al Protection A-approved respirator, che erties weder	ses of malaise consult a doctor. d person is conscious. In case of skin co- inated clothing and shoes. In case of in ase of contactwith eyes, wash with cop- rating the eyelids with fingers. In seriou mical powder or appropriate foam. Spe- protective clothing to prevent contact d heavy rubber gloves. Section 12	Ecological Information		
	Data not available		
Section 13	Disposal Considerations		
	On completion of work all used or unusable preparations of this product and derivatives thereof are to be disposed off by autoclaving and/or by incineration. Dispose off waste in accordance with all applicable Federal, State and local laws.		
Section 14	Transport Information		
	UN No. : Not applicable.		
Section 15	Regulatory Information		
	Risk Phrases : Harmful if swallowed		
	Risk Phrases : Irritating to eyes		
	Safety Phrases: Do not breathe dust		
Skin irritation	Significance of signs : Inhalation and ingestion of, or skin penetration by these substances is harmful to one's health. Non-recurring, recurring or lengthy exposure to these substances may result in irreversible damage.
