

## Material Safety Data Sheet

| Name of the Product | Blood Agar Base w/low pH |
|---------------------|--------------------------|
|---------------------|--------------------------|

Code No.

DM2089

Section 1 : Chemical Identification

Code No. : DM2089

Name of the Product : Blood Agar Base w/low pH Produced by : Central Drug House Pvt. Ltd.

Address : 7/28 Vardaan House, Darya Ganj, New Delhi (INDIA)

Tel. No. : 00 91 11 49404040

| Section 2  | Composition  | Grams/Litre | Ingredients                  | Grams/Litre                      |  |
|------------|--|-------------|------------------------------|----------------------------------|--|
|            | Ingredients  |             |                              |                                  |  |
|            | Beef heart infusion from   | 500.00      | Tryptose                     | 10.00                            |  |
|            | Sodium chloride  | 5.00        | Agar                         | 15.00                            |  |
|            | Final pH (at 25°C)   | 6.8±0.2     |                              |                                  |  |
| Section 3  | Hazards Identification   |             |                              |                                  |  |
|            | Hazard: Not classified as hazardou   | S.          |                              |                                  |  |
| Section 4  | First - Aid Measures   |             |                              |                                  |  |
|            | No specific measures necessary.  |             |                              |                                  |  |
| Section 5  | Fire Fighting Measures   |             |                              |                                  |  |
|            | Not combustible.   |             |                              |                                  |  |
| Section 6  | Accidental Release Measures  |             |                              |                                  |  |
|            | No specific measures necessary.  |             |                              |                                  |  |
| Section 7  | Handling and Storage   |             |                              |                                  |  |
|            | Handling - Refer to Section 8  |             |                              |                                  |  |
|            | Storage - Store below 30°C   |             |                              |                                  |  |
| Section 8  | Exposure Controls / Personal Protection  |             |                              |                                  |  |
|            | Wear appropriate Niosh/Msha-approved respirator, chemical-resistant gloves, safety goggles, other                        |             |                              |                                  |  |
|            | protective clothing. Mechanical exhaust required.  |             |                              |                                  |  |
| Section 9  | Physical and Chemical Properti   | es          |                              |                                  |  |
|            | Appearance: Homogeneous powde  | er          |                              |                                  |  |
|            | Colour : Cream to yellow   |             |                              |                                  |  |
| Section 10 | Stability and Reactivity   |             |                              |                                  |  |
|            | Stability: Product is stable if stored as per the conditions specified under storage of Section No. 7. Product loses its |             |                              |                                  |  |
|            | potency/performance above 45°C.  |             |                              |                                  |  |
|            | Conditions to avoid : Heat and light   |             |                              |                                  |  |
| Section 11 | Toxicological Information  |             |                              |                                  |  |
|            | Non toxic.   |             |                              |                                  |  |
| Section 12 | Ecological Information   |             |                              |                                  |  |
|            | Data not available   |             |                              |                                  |  |
| Section 13 | Disposal Considerations  |             |                              |                                  |  |
|            | No special disposal method required except that it be in accordance with current and local authority                     |             |                              |                                  |  |
|            | regulation.  |             |                              |                                  |  |
| Section 14 | Transport Information  |             |                              |                                  |  |
| Costion 15 | UN No. : Not applicable.   |             |                              |                                  |  |
| Section 15 | Regulatory Information   |             |                              |                                  |  |
