Bases / Media Supplements

Name of the Product Code No.		Brilliant Green Agar with 1.2% Agar DM 1016A			
Section 1	: Chemical Identification	DIVI 1016A			
	Code No. : Name of the Product : Produced by : Address : Tel. No. :	Code No.:DM 1016AName of the Product:Brilliant Green Agar with 1.2% AgarProduced by:Central Drug House Pvt. Ltd.Address:7/28 Vardaan House, Darya Ganj, New Delhi (INDIA)			
Section 2	Composition Ingredients	Grams/Litre	Ingredients	Grams/Litre	
	Proteose peptone	10.00	Yeast extract	3.00	
	Lactose	10.00	Sucrose	10.00	
	Sodium chloride	5.00	*Phenol red	0.08	
	*Brilliant green	0.0125	Agar	12.00	
	Final pH (at 25°C)	6.9 ± 0.2		12100	
	* Irritant / Harmful material	0.0 - 0			
	Information on Ingredients Phenol red CAS No. : 143-74-8 R : 36/37/38 S : 26-36 RTECS : SJ 7490000 Brilliant green				
Shir terkatore	CAS No. : 633-03-4 R ; 22-36/38 S : 26-36 RTECS : BP 6825000				
	Hazards Identification				
Section 3	Hazards Identification				
Section 3	Hazards Identification Hazard : This symbol designates Caution : Do not breathe vapour			yes and respiratory organs.

Water spragprocedures Wear self-contained</li> </ul>	rs and avoid contact wit n of, or skin penetration o these substances may on of the vapours and in mouth with water provi- least 15 minutes. Remo- becomes difficult, call p minutes. Assure adequi- with container or label ay. Carbon dioxide, dry of l breathing apparatus ar s y goggles, rubber boots	h skin and eyes. by these substances is harmful result in irreversible damage. Ca cases of malaise consult a doctor ided person is conscious. In case ove contaminated clothing and s ohysician. In case of contact with late washing by separating the e chemical powder or appropriate and protective clothing to prevent	to one's health. Non-recurring, nution : Avoid contact with the or. of skin contact, flush with hoes. In case of inhalation, n eyes, wash with copious yelids with fingers. In serious foam. Special firefighting t contact with skin and eyes.	
Section 3 Section 4 Section 6 Section 7	<ul> <li>Hazard : This symbol designates</li> <li>Caution : Do not breathe vapour</li> <li>Hazard : Inhalation and ingestion</li> <li>recurring or lengthy exposure to human body, including inhalation</li> <li>First - Aid Measures</li> <li>In case of swallowing, wash out copious amounts of water for at remove to fresh air. If breathing amounts of water for at least 15 conditions, call a physician, show</li> <li>Fire Fighting Measures</li> <li>Extinguishing Media. Water spratprocedures Wear self-contained</li> <li>Accidental Release Measures</li> <li>Wear respirator, chemical safety</li> </ul>	rs and avoid contact wit n of, or skin penetration o these substances may on of the vapours and in mouth with water provi- least 15 minutes. Remo- becomes difficult, call p minutes. Assure adequi- with container or label ay. Carbon dioxide, dry of l breathing apparatus ar s y goggles, rubber boots	h skin and eyes. by these substances is harmful result in irreversible damage. Ca cases of malaise consult a doctor ided person is conscious. In case ove contaminated clothing and s ohysician. In case of contact with late washing by separating the e chemical powder or appropriate and protective clothing to prevent	to one's health. Non-recurring, nution : Avoid contact with the or. of skin contact, flush with hoes. In case of inhalation, n eyes, wash with copious yelids with fingers. In serious foam. Special firefighting t contact with skin and eyes.	
Section 6 Section 7	<ul> <li>Hazard : This symbol designates Caution : Do not breathe vapour</li> <li>Hazard : Inhalation and ingestion recurring or lengthy exposure to human body, including inhalation</li> <li>First - Aid Measures In case of swallowing, wash out copious amounts of water for at remove to fresh air. If breathing amounts of water for at least 15 conditions, call a physician, show</li> <li>Fire Fighting Measures</li> <li>Extinguishing Media. Water spra procedures Wear self-contained</li> <li>Accidental Release Measures</li> <li>Wear respirator, chemical safety waste disposal. Avoid raising due</li> <li>Handling and Storage Handling - Refer to Section 8</li> </ul>	rs and avoid contact wit n of, or skin penetration o these substances may on of the vapours and in mouth with water provi- least 15 minutes. Remo- becomes difficult, call p i minutes. Assure adequ w the container or label ay. Carbon dioxide, dry of l breathing apparatus ar s y goggles, rubber boots st. Ventilate area and w	h skin and eyes. by these substances is harmful result in irreversible damage. Ca cases of malaise consult a doctor ided person is conscious. In case ove contaminated clothing and s ohysician. In case of contact with late washing by separating the e chemical powder or appropriate and protective clothing to prevent	to one's health. Non-recurring, nution : Avoid contact with the or. of skin contact, flush with hoes. In case of inhalation, n eyes, wash with copious yelids with fingers. In serious foam. Special firefighting t contact with skin and eyes.	
Section 6 Section 7	<ul> <li>Hazard : This symbol designates Caution : Do not breathe vapour</li> <li>Hazard : Inhalation and ingestion recurring or lengthy exposure to human body, including inhalation</li> <li>First - Aid Measures In case of swallowing, wash out copious amounts of water for at remove to fresh air. If breathing amounts of water for at least 15 conditions, call a physician, show</li> <li>Fire Fighting Measures</li> <li>Extinguishing Media. Water spra procedures Wear self-contained</li> <li>Accidental Release Measures</li> <li>Wear respirator, chemical safety waste disposal. Avoid raising due</li> <li>Handling and Storage</li> <li>Handling - Refer to Section 8 Storage - Store below 30°C</li> </ul>	rs and avoid contact wit n of, or skin penetration o these substances may on of the vapours and in mouth with water provi- cleast 15 minutes. Remo- becomes difficult, call p minutes. Assure adeque w the container or label ay. Carbon dioxide, dry of l breathing apparatus an s y goggles, rubber boots st. Ventilate area and w	h skin and eyes. a by these substances is harmful result in irreversible damage. Ca cases of malaise consult a doctor ided person is conscious. In case ove contaminated clothing and s ohysician. In case of contact with late washing by separating the e chemical powder or appropriate and protective clothing to prevent and heavy rubber gloves. Sweep ash spill site after material picku	to one's health. Non-recurring, nution : Avoid contact with the or. of skin contact, flush with hoes. In case of inhalation, n eyes, wash with copious yelids with fingers. In serious foam. Special firefighting t contact with skin and eyes. o up, place in a bag and hold for up is complete.	
Section 4 Section 5 Section 7 Section 8	<ul> <li>Hazard : This symbol designates Caution : Do not breathe vapour</li> <li>Hazard : Inhalation and ingestion recurring or lengthy exposure to human body, including inhalatio</li> <li>First - Aid Measures</li> <li>In case of swallowing, wash out copious amounts of water for at remove to fresh air. If breathing amounts of water for at least 15 conditions, call a physician, show</li> <li>Fire Fighting Measures</li> <li>Extinguishing Media. Water spra procedures Wear self-contained</li> <li>Accidental Release Measures</li> <li>Wear respirator, chemical safety waste disposal. Avoid raising dus</li> <li>Handling and Storage</li> <li>Handling - Refer to Section 8 Storage - Store below 30°C</li> <li>Exposure Controls / Persona</li> <li>Wear appropriate NIOSH/MSHA</li> </ul>	rs and avoid contact wit n of, or skin penetration o these substances may on of the vapours and in mouth with water prove least 15 minutes. Remo becomes difficult, call p is minutes. Assure adequ w the container or label ay. Carbon dioxide, dry of l breathing apparatus ar s y goggles, rubber boots st. Ventilate area and w I Protection	h skin and eyes. a by these substances is harmful result in irreversible damage. Ca cases of malaise consult a doctor ided person is conscious. In case ove contaminated clothing and s ohysician. In case of contact with late washing by separating the e chemical powder or appropriate and protective clothing to prevent and heavy rubber gloves. Sweep ash spill site after material picku	to one's health. Non-recurring, nution : Avoid contact with the or. of skin contact, flush with hoes. In case of inhalation, n eyes, wash with copious yelids with fingers. In serious foam. Special firefighting t contact with skin and eyes. o up, place in a bag and hold for up is complete.	
Section 5 Section 6	<ul> <li>Hazard : This symbol designates</li> <li>Caution : Do not breathe vapour</li> <li>Hazard : Inhalation and ingestion</li> <li>recurring or lengthy exposure to human body, including inhalation</li> <li>First - Aid Measures</li> <li>In case of swallowing, wash out copious amounts of water for at east 15 conditions, call a physician, show</li> <li>Fire Fighting Measures</li> <li>Extinguishing Media. Water spragrocedures Wear self-contained</li> <li>Accidental Release Measures</li> <li>Wear respirator, chemical safety, waste disposal. Avoid raising dual</li> <li>Handling and Storage</li> <li>Handling - Refer to Section 8</li> <li>Storage - Store below 30°C</li> <li>Exposure Controls / Persona</li> <li>Wear appropriate NIOSH/MSHA</li> <li>Mechanical exhaust required.</li> </ul>	rs and avoid contact wit n of, or skin penetration o these substances may on of the vapours and in mouth with water provi- least 15 minutes. Remo- becomes difficult, call p is minutes. Assure adeque withe container or label ay. Carbon dioxide, dry of l breathing apparatus ar s y goggles, rubber boots st. Ventilate area and w I Protection -approved respirator, cl rties	h skin and eyes. a by these substances is harmful result in irreversible damage. Ca cases of malaise consult a doctor ided person is conscious. In case ove contaminated clothing and s ohysician. In case of contact with late washing by separating the e chemical powder or appropriate and protective clothing to prevent and heavy rubber gloves. Sweep ash spill site after material picku	to one's health. Non-recurring, nution : Avoid contact with the or. of skin contact, flush with hoes. In case of inhalation, n eyes, wash with copious yelids with fingers. In serious foam. Special firefighting t contact with skin and eyes. o up, place in a bag and hold for up is complete.

1

. . ..

Toxicological Information			
Acute Effects : May be harmful if swallowed.			
Exposure can cause : Stomach pains, vomiting, diarrhoea. Prolonged or repeated exposure may cause allergic reactions in			
certain sensitive individuals.			
RTECS No. : SJ 7490000 BP 6825000			
For complete information RTECS may be referred.			
Ecological Information			
Data not available			
Disposal Considerations			
On completion of work all used or unusable preparations of this product and derivatives thereof are to be disposed off by			
autoclaving and/or by incineration. Dispose off waste in accordance with all applicable Federal, State and local laws.			
Transport Information			
UN No. : Not applicable.			
Regulatory Information			
Risk Phrases : Irritating to eyes, respiratory system and skin.			
Risk Phrases : Harmful if swallowed.			
Risk Phrases : Irritating to eyes and skin.			
Safety Phrases : In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.			
Safety Phrases : Wear suitable protective clothing			
Significance of signs : Inhalation and ingestion of, or skin penetration by these substances is harmful to one's health.			
Non-recurring, recurring or lengthy exposure to these substances may result in irreversible damage.			
Significance of signs : This symbol designates substances which may have an irritant effect on skin, eyes and respiratory			
organs.			
Other Information
