Material Safety Data Sheet

Code No	Product	Wilkins Chalgren Anae DM1832	erodic Agar Base		
Code No. Section 1	: Chemical Identification	DIVI1832			
Section 1	Code No.	: DM1832			
	Name of the Product	: Wilkins Chalgren Anae	erohic Agar Base		
	Produced by	: Central Drug House P	-		
	Address	-	Darya Ganj, New Delhi (INDIA)		
	Tel. No.	: 00 91 11 49404040			
Section 2	Composition	Grams/Litre	Ingredients	Grams/Litre	
	Ingredients Casein enzymic hydrolysate	10.00	Peptic digest of animal tissue	10.00	
	Yeast extract	5.00	Dextrose	1.00	
	Sodium chloride	5.00	*L-Arginine	1.00	
		1.00	-	0.005	
	Sodium pyruvate		Hemin		
	*Menadione	0.0005	Agar	10.00	
	Final pH (at 25°C)	7.1±0.2			
	* Irritant / Harmful material				
	L-Arginine				
	CAS No. : 74-79-3				
\checkmark	R : 36 S : 26				
Skin irritation	RTECS : CF 1934200				
	Menadione				
	CAS No. : 58-27-5				
\checkmark	R : 22-36/37/38 S : 26-36				
Skin irritation	RTECS : QL 9100000				
Section 3	Hazards Identification				
Section 3					
	Hazard : This symbol designate		e an irritant effect on skin, eyes and res	spiratory organs.	
				spiratory organs.

Skin Inflation Section 4	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least 2 If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p	urs and avoid contact with sk ion of, or skin penetration by to these substances may resu ne human body, including inhi ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid pray.	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of n person is conscious. In case of skin cor nated clothing and shoes. In case of inha act with eyes, wash with copious amou s with fingers. In serious conditions, cal	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh ai unts of water for at least 1 Il a physician, show the	
Section 5	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least 2 If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp	urs and avoid contact with sk ion of, or skin penetration by to these substances may resu ne human body, including inhi- ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray.	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of n person is conscious. In case of skin cor nated clothing and shoes. In case of inha act with eyes, wash with copious amou s with fingers. In serious conditions, cal	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh ai unts of water for at least 1 Il a physician, show the	
Section 5	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least ? If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p apparatus and protective cloth Accidental Release Measure	urs and avoid contact with sk ion of, or skin penetration by to these substances may resu ne human body, including inha ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. S ning to prevent contact with s es	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of n person is conscious. In case of skin cor nated clothing and shoes. In case of inha act with eyes, wash with copious amou s with fingers. In serious conditions, cal	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh a unts of water for at least 1 II a physician, show the selfcontained breathing	
Section 5	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least ? If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p apparatus and protective cloth Accidental Release Measur Wear respirator, chemical safe	urs and avoid contact with sk ion of, or skin penetration by to these substances may resu ne human body, including inha ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. S ning to prevent contact with s es ety goggles, rubber boots and	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor nated clothing and shoes.In case of inha act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh a unts of water for at least 1 II a physician, show the selfcontained breathing	
Section 5	 Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with the First - Aid Measures In case of swallowing, wash ou amounts of water for at least of If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p apparatus and protective clothet Accidental Release Measure Wear respirator, chemical safe disposal. Avoid raising dust. Ver 	urs and avoid contact with sk ion of, or skin penetration by to these substances may resu ne human body, including inha ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. S ning to prevent contact with s es ety goggles, rubber boots and	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor nated clothing and shoes. In case of skin cor act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh a unts of water for at least 1 II a physician, show the selfcontained breathing	
Section 5	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least 2 If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical g apparatus and protective cloth Accidental Release Measur Wear respirator, chemical safe disposal. Avoid raising dust. Ve	urs and avoid contact with sk ion of, or skin penetration by to these substances may resu ne human body, including inha ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. S ning to prevent contact with s es ety goggles, rubber boots and	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor nated clothing and shoes. In case of skin cor act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh a unts of water for at least 1 II a physician, show the selfcontained breathing	
Section 5	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least 2 If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p apparatus and protective cloth Accidental Release Measur Wear respirator, chemical safe disposal. Avoid raising dust. Ve Handling and Storage Handling - Refer to Section 8	urs and avoid contact with sk ion of, or skin penetration by to these substances may resu ne human body, including inha ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. S ning to prevent contact with s es ety goggles, rubber boots and	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor nated clothing and shoes. In case of skin cor act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh a unts of water for at least 1 II a physician, show the selfcontained breathing	
Section 5 Section 7	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least of If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p apparatus and protective cloth Accidental Release Measur Wear respirator, chemical safe disposal. Avoid raising dust. Ve Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C	urs and avoid contact with ski ion of, or skin penetration by to these substances may resu ne human body, including inha- ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. S ning to prevent contact with s es ety goggles, rubber boots and entilate area and wash spill sit	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor nated clothing and shoes. In case of skin cor act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh a unts of water for at least 1 II a physician, show the selfcontained breathing	
Section 5 Section 7	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least of If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p apparatus and protective cloth Accidental Release Measur Wear respirator, chemical safe disposal. Avoid raising dust. Ve Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C	urs and avoid contact with ski ion of, or skin penetration by i to these substances may resu ne human body, including inhi- ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. S es ety goggles, rubber boots and entilate area and wash spill sit	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor hated clothing and shoes. In case of inhe act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes. heavy rubber gloves. Sweep up, place is after material pickup is complete.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh a unts of water for at least 1 II a physician, show the selfcontained breathing in a bag and hold for wast	
Section 5 Section 7	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least of If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p apparatus and protective cloth Accidental Release Measur Wear respirator, chemical safe disposal. Avoid raising dust. Ve Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C	urs and avoid contact with ski ion of, or skin penetration by i to these substances may resu ne human body, including inhi- ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. S es ety goggles, rubber boots and entilate area and wash spill sit	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor nated clothing and shoes. In case of skin cor act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh a unts of water for at least 1 II a physician, show the selfcontained breathing in a bag and hold for wast	
Section 5 Section 7 Section 8	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least ? If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p apparatus and protective cloth Accidental Release Measur Wear respirator, chemical safe disposal. Avoid raising dust. Ve Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MSH	urs and avoid contact with skill ion of, or skin penetration by to to these substances may resu- ne human body, including inhi- ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelide oray. bowder or appropriate foam. S ning to prevent contact with s es ety goggles, rubber boots and entilate area and wash spill sit nal Protection IA-approved respirator, chem	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor hated clothing and shoes. In case of inhe act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes. heavy rubber gloves. Sweep up, place is after material pickup is complete.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh a unts of water for at least 1 II a physician, show the selfcontained breathing in a bag and hold for wast	
Section 5 Section 7 Section 8	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least ? If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p apparatus and protective cloth Accidental Release Measur Wear respirator, chemical safe disposal. Avoid raising dust. Ve Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MSH Mechanical exhaust required.	urs and avoid contact with skill ion of, or skin penetration by to to these substances may resu- ne human body, including inhi- ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. I ning to prevent contact with s es ety goggles, rubber boots and entilate area and wash spill sit nal Protection IA-approved respirator, chem	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor hated clothing and shoes. In case of inhe act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes. heavy rubber gloves. Sweep up, place is after material pickup is complete.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh a unts of water for at least 1 II a physician, show the selfcontained breathing in a bag and hold for wast	
Section 5 Section 7 Section 8	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with the First - Aid Measures In case of swallowing, wash ou amounts of water for at least of If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical g apparatus and protective clothe Accidental Release Measur Wear respirator, chemical safe disposal. Avoid raising dust. Ve Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MSH Mechanical exhaust required. Physical and Chemical Prop	urs and avoid contact with skill ion of, or skin penetration by to to these substances may resu- ne human body, including inhi- ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. I ning to prevent contact with s es ety goggles, rubber boots and entilate area and wash spill sit nal Protection IA-approved respirator, chem	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor hated clothing and shoes. In case of inhe act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes. heavy rubber gloves. Sweep up, place is after material pickup is complete.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh ai unts of water for at least 1 II a physician, show the selfcontained breathing in a bag and hold for wast	
Skin irritation Skin irritation	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with the First - Aid Measures In case of swallowing, wash ou amounts of water for at least of If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical ge apparatus and protective clothet Accidental Release Measur Wear respirator, chemical safe disposal. Avoid raising dust. Ve Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MSH Mechanical exhaust required. Physical and Chemical Prop Appearance : Homogeneous ge	urs and avoid contact with skill ion of, or skin penetration by to to these substances may resu- ne human body, including inhi- ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. I ning to prevent contact with s es ety goggles, rubber boots and entilate area and wash spill sit nal Protection IA-approved respirator, chem	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor hated clothing and shoes. In case of inhe act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes. heavy rubber gloves. Sweep up, place is after material pickup is complete.	ealth.Non-recurring, nalaise consult a doctor. ntact,flush with copious alation, remove to fresh ai unts of water for at least 1 II a physician, show the selfcontained breathing in a bag and hold for wast	
Section 5 Section 7 Section 9	Hazard : This symbol designate Caution : Do not breathe vapo Hazard : Inhalation and ingesti recurring or lengthy exposure Caution : Avoid contact with th First - Aid Measures In case of swallowing, wash ou amounts of water for at least ? If breathing becomes difficult, minutes. Assure adequate was container or label. Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p apparatus and protective cloth Accidental Release Measur Wear respirator, chemical safe disposal. Avoid raising dust. Ve Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MSH Mechanical exhaust required. Physical and Chemical Prop Appearance : Homogeneous p Colour : Light yellow Stability and Reactivity	urs and avoid contact with ski ion of, or skin penetration by to these substances may resu- ne human body, including inha- ut mouth with water provided 15 minutes. Remove contamir call physician. In case of cont shing by separating the eyelid oray. bowder or appropriate foam. S and the prevent contact with s es ety goggles, rubber boots and entilate area and wash spill sit tal Protection IA-approved respirator, chem berties bowder	in and eyes. these substances is harmful to one's he lt in irreversible damage. alation of the vapours and in cases of m person is conscious. In case of skin cor hated clothing and shoes. In case of inhe act with eyes, wash with copious amou s with fingers. In serious conditions, cal Special fire-fighting procedures. Wear s kin and eyes. heavy rubber gloves. Sweep up, place is after material pickup is complete.	ealth.Non-recurring, <u>malaise consult a doctor.</u> Intact,flush with copious alation, remove to fresh ai unts of water for at least 1 II a physician, show the selfcontained breathing in a bag and hold for wast her protective clothing.

	Conditions to avoid : Heat and light.			
	Hazardous polymerization will not occur.			
Section 11	Toxicological Information			
	Acute Effects : May be harmful if swallowed.			
	Exposure can cause : Stomach pains, vomiting, diarrhoea. Prolonged or repeated exposure may cause allergic reactions in			
	certain sensitive individuals.			
	RTECS No. : CF 1934200 QL 9100000 For complete information RTECS may be referred.			
Section 12	Ecological Information			
	Data not available			
Section 13	Disposal Considerations			
	On completion of work all used or unusable preparations of this product and derivatives thereof are to be disposed off by autoclaving and/or by incineration. Dispose off waste in accordance with all applicable Federal, State and local laws.			
Section 14	Transport Information			
	UN No. : Not applicable.			
Section 15	Regulatory Information			
	Risk Phrases : Irritating to eyes			
	Risk Phrases : Harmful if swallowed			
	Risk Phrases : Irritating to eyes, respiratory system and skin			
	Safety Phrases : In case of contact with eyes, rinse immediately with plenty of water and seek medical advice			
	Safety Phrases : Wear suitable protective clothing			
	Significance of signs : This symbol designates substances which may have an irritant effect on skin, eyes and respiratory organs.			
Skin irritation	Significance of signs : Inhalation and ingestion of, or skin penetration by these substances is harmful to one's health. Non-			
Skin irritation	recurring, recurring or lengthy exposure to these substances may result in irreversible damage.
