Material Safety Data Sheet

Name of the Pr Code No.	oduct	Cetrimide Agar Ba DM 1024	se		
Section 1 :	Chemical Identification	DIVI 1024			
Section 1 .	Code No.	: DM 1024			
	Name of the Product	: Cetrimide Agar Bas	٩		
	Produced by	-			
	Produced by : Central Drug House Pvt. Ltd. Address : 7/28 Vardaan House, Darya Ganj, New Delhi (INDIA)				
	Tel. No.		00 91 11 49404040		
Section 2	Composition Ingredients	Grams/Litre	Ingredients	Grams/Litre	
~ ~	Pancreatic digest of gelatin	20.00	Magnesium chloride	1.40	
	Potassium sulphate	10.00	*Cetrimide	0.30	
	Agar	15.00			
	Final pH (at 25°C)	7.2 ± 0.2			
	* Harmful / Dangerous to environment material				
	Information on Ingredients Cetrimide				
	CAS No. : 57-09-0				
	R : 22-37/38-41-50 S : 26-36-6	0-61			
	R : 22-37/38-41-50 S : 26-36-60-61 RTECS : BQ 7875000				
Section 3	Hazards Identification				
\wedge	Hazard : Inhalation and ingestion of, or skin penetration by these substances is harmful to one's health. Non-recurring,				
	recurring or lengthy exposure to these substances may result in irreversible damage. Caution : Avoid contact with the				
Shi brildha	human body, including inhalation of the vapours and in cases of malaise consult a doctor.

Section 5	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathin amounts of water for at least : conditions, call a physician, sh Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measure Wear respirator, chemical safe	ion of the vapours and in harmful to the aquatic (a which have a detrimental at mouth with water prov at least 15 minutes. Remo becomes difficult, call p L5 minutes. Assure adequ ow the container or label ray. bowder or appropriate for ective clothing to prevent es	iquatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. In case of ove contaminated clothing and shoe ohysician. In case of contact with ey ate washing by separating the eyeli am. Special firefighting procedures. contact with skin and eyes. and heavy rubber gloves. Sweep up	id release to the environment skin contact, flush with es. In case of inhalation, res, wash with copious ids with fingers. In serious Wear selfcontained	
Section 5 Section 6	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathin amounts of water for at least : conditions, call a physician, sh Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measure Wear respirator, chemical safe	ion of the vapours and in harmful to the aquatic (a which have a detrimental at mouth with water prov at least 15 minutes. Remo becomes difficult, call p L5 minutes. Assure adequ ow the container or label ray. bowder or appropriate for ective clothing to prevent es	equatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. In case of ove contaminated clothing and shoe ohysician. In case of contact with ey late washing by separating the eyeli am. Special firefighting procedures. contact with skin and eyes.	id release to the environment skin contact, flush with es. In case of inhalation, res, wash with copious ids with fingers. In serious Wear selfcontained	
Section 5	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathin amounts of water for at least : conditions, call a physician, sh Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measure Wear respirator, chemical safe	ion of the vapours and in harmful to the aquatic (a which have a detrimental at mouth with water prov at least 15 minutes. Remo becomes difficult, call p L5 minutes. Assure adequ ow the container or label ray. bowder or appropriate for ective clothing to prevent es	iquatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. In case of ove contaminated clothing and shoe ohysician. In case of contact with ey ate washing by separating the eyeli am. Special firefighting procedures. contact with skin and eyes. and heavy rubber gloves. Sweep up	id release to the environment skin contact, flush with es. In case of inhalation, res, wash with copious ids with fingers. In serious Wear selfcontained	
Section 5 Section 6	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathir amounts of water for at least : conditions, call a physician, sh Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measur Wear respirator, chemical safe waste disposal. Avoid raising d	ion of the vapours and in harmful to the aquatic (a which have a detrimental at mouth with water prov at least 15 minutes. Remo becomes difficult, call p L5 minutes. Assure adequ ow the container or label ray. bowder or appropriate for ective clothing to prevent es	iquatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. In case of ove contaminated clothing and shoe ohysician. In case of contact with ey ate washing by separating the eyeli am. Special firefighting procedures. contact with skin and eyes. and heavy rubber gloves. Sweep up	id release to the environment skin contact, flush with es. In case of inhalation, res, wash with copious ids with fingers. In serious Wear selfcontained	
Section 5 Section 6 Section 7	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathir amounts of water for at least : conditions, call a physician, shi Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measur Wear respirator, chemical safe waste disposal. Avoid raising of Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C	ion of the vapours and in harmful to the aquatic (a which have a detrimental at mouth with water prov at least 15 minutes. Remo by becomes difficult, call p L5 minutes. Assure adequ ow the container or label ray. bowder or appropriate for ective clothing to prevent es ety goggles, rubber boots lust. Ventilate area and w	iquatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. In case of ove contaminated clothing and shoe ohysician. In case of contact with ey ate washing by separating the eyeli am. Special firefighting procedures. contact with skin and eyes. and heavy rubber gloves. Sweep up	id release to the environment skin contact, flush with es. In case of inhalation, res, wash with copious ids with fingers. In serious Wear selfcontained	
Section 5 Section 6	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathir amounts of water for at least : conditions, call a physician, sh Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measur Wear respirator, chemical safe waste disposal. Avoid raising of Handling and Storage Handling - Refer to Section 8	ion of the vapours and in harmful to the aquatic (a which have a detrimental at mouth with water prov at least 15 minutes. Remo by becomes difficult, call p L5 minutes. Assure adequ ow the container or label ray. bowder or appropriate for ective clothing to prevent es ety goggles, rubber boots lust. Ventilate area and w	iquatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. In case of ove contaminated clothing and shoe ohysician. In case of contact with ey ate washing by separating the eyeli am. Special firefighting procedures. contact with skin and eyes. and heavy rubber gloves. Sweep up	id release to the environment skin contact, flush with es. In case of inhalation, res, wash with copious ids with fingers. In serious Wear selfcontained	
Section 5 Section 6 Section 7	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathir amounts of water for at least : conditions, call a physician, sh Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measur Wear respirator, chemical safe waste disposal. Avoid raising d Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MSH	ion of the vapours and in harmful to the aquatic (a which have a detrimental at mouth with water prov at least 15 minutes. Remo by becomes difficult, call p 15 minutes. Assure adequ ow the container or label ray. boowder or appropriate for ective clothing to prevent es ety goggles, rubber boots lust. Ventilate area and w	iquatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. In case of ove contaminated clothing and shoe ohysician. In case of contact with ey ate washing by separating the eyeli am. Special firefighting procedures. contact with skin and eyes. and heavy rubber gloves. Sweep up	id release to the environment skin contact, flush with es. In case of inhalation, res, wash with copious ids with fingers. In serious Wear selfcontained , place in a bag and hold for s complete.	
Section 5 Section 6 Section 7	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathin amounts of water for at least : conditions, call a physician, sh Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measur Wear respirator, chemical safe waste disposal. Avoid raising of Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C	ion of the vapours and in harmful to the aquatic (a which have a detrimental at mouth with water prov at least 15 minutes. Remo by becomes difficult, call p 15 minutes. Assure adequ ow the container or label ray. boowder or appropriate for ective clothing to prevent es ety goggles, rubber boots lust. Ventilate area and w	iquatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. In case of ove contaminated clothing and shoe ohysician. In case of contact with ey late washing by separating the eyeli am. Special firefighting procedures. contact with skin and eyes. and heavy rubber gloves. Sweep up ash spill site after material pickup is	id release to the environment skin contact, flush with es. In case of inhalation, res, wash with copious ids with fingers. In serious Wear selfcontained , place in a bag and hold for s complete.	
Section 5 Section 6 Section 7	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathir amounts of water for at least : conditions, call a physician, sh Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measur Wear respirator, chemical safe waste disposal. Avoid raising d Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MSH	ion of the vapours and in harmful to the aquatic (a which have a detrimental it mouth with water prov at least 15 minutes. Remo g becomes difficult, call p 15 minutes. Assure adequ ow the container or label ray. bowder or appropriate for ective clothing to prevent es ety goggles, rubber boots ust. Ventilate area and w	iquatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. In case of ove contaminated clothing and shoe ohysician. In case of contact with ey late washing by separating the eyeli am. Special firefighting procedures. contact with skin and eyes. and heavy rubber gloves. Sweep up ash spill site after material pickup is	id release to the environment skin contact, flush with es. In case of inhalation, res, wash with copious ids with fingers. In serious Wear selfcontained , place in a bag and hold for s complete.	
Section 5 Section 6 Section 7 Section 8	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathir amounts of water for at least : conditions, call a physician, shi Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measur Wear respirator, chemical safe waste disposal. Avoid raising of Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MSH Mechanical exhaust required. Physical and Chemical Prop Appearance : Homogeneous p	ion of the vapours and in harmful to the aquatic (a which have a detrimental at mouth with water prov at least 15 minutes. Remo- ng becomes difficult, call p 15 minutes. Assure adequ ow the container or label ray. bowder or appropriate for ective clothing to prevent es ety goggles, rubber boots lust. Ventilate area and w al Protection IA-approved respirator, c perties owder	iquatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. In case of ove contaminated clothing and shoe ohysician. In case of contact with ey late washing by separating the eyeli am. Special firefighting procedures. contact with skin and eyes. and heavy rubber gloves. Sweep up ash spill site after material pickup is	id release to the environment skin contact, flush with es. In case of inhalation, res, wash with copious ids with fingers. In serious Wear selfcontained , place in a bag and hold for s complete.	
Section 5 Section 6 Section 7 Section 8 Section 9	Hazard : Substances which are (fauna, flora, atmosphere) or v First - Aid Measures In case of swallowing, wash ou copious amounts of water for remove to fresh air. If breathir amounts of water for at least : conditions, call a physician, shi Fire Fighting Measures Extinguishing Media. Water sp Carbon dioxide, dry chemical p breathing apparatus and prote Accidental Release Measur Wear respirator, chemical safe waste disposal. Avoid raising d Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Person Wear appropriate NIOSH/MSF Mechanical exhaust required. Physical and Chemical Prop Appearance : Homogeneous p Colour : Cream to yellow	ion of the vapours and in harmful to the aquatic (a which have a detrimental at mouth with water prov at least 15 minutes. Remo- ng becomes difficult, call p 15 minutes. Assure adequ ow the container or label ray. bowder or appropriate for ective clothing to prevent es ety goggles, rubber boots lust. Ventilate area and w al Protection IA-approved respirator, c perties owder	iquatic organisms, waters), as well a effect at longer term. Caution : Avo ided person is conscious. Dehydrated Culture Media Bases / Media Supplements

Section 11	Toxicological Information				
	Acute Effects : May be harmful if swallowed.				
	Exposure can cause : Stomach pains, vomiting, diarrhoea. Prolonged or repeated exposure may cause allergic reactions in				
	certain sensitive individuals.				
	RTECS No. : BQ 7875000				
	For complete information RTECS may be referred.				
Section 12	Ecological Information				
	Data not available				
Section 13	Disposal Considerations				
	On completion of work all used or unusable preparations of this product and derivatives thereof are to be disposed off by autoclaving and/or by incineration. Dispose off waste in accordance with all applicable Federal, State and local laws.				
Section 14	Transport Information				
	UN No. : Not applicable.				
Section 15	Regulatory Information				
	Risk Phrases : Harmful if swallowed				
	Risk Phrases : Irritating to respiratory system and skin				
	Risk Phrases : Risk of serious damage to eyes				
	Risk Phrases : Very toxic to aquatic organisms				
	Safety Phrases : In case of contact with eyes, rinse immediately with plenty of water and seek medical advice				
	Safety Phrases : Wear suitable protective clothing				
	Safety Phrases : This material and its container must be disposed of as hazardous waste				
	Safety Phrases : Avoid release to the environment. Refer to special instructions/safety data sheets				
	Significance of signs : Inhalation and ingestion of, or skin penetration by these substances is harmful to				
the boldky	One's health. Non-recurring, recurring or lengthy exposure to these substances may result in irreversible damage.				
	Significance of signs : Substances which are harmful to the aquatic (aquatic organisms, waters), as well as the non-aquatic environment (fauna, flora, atmosphere) or which have a detrimental effect at longer term.				
Section 16	Other Information				
	The information contained in this data sheet represents the best information currently available to us. However, no warranty is made with respect to its completeness and we assume no liability resulting from its use. The information is offered solely for user's obligation to investigate and determine the suitability of the information for their particular purpose.
