Dehydrated Culture Media Bases / Media Supplements

Material Safety Data Sheet

	Product	Modified Rappaport	Vassiliadis Medium		
Code No.		DM2137			
Section 1	: Chemical Identification				
	Code No. :	DM2137			
	Name of the Product :	Modified Rappaport V	assiliadis Medium		
	Produced by :	Central Drug House P	/t. Ltd.		
	Address :	7/28 Vardaan House,	Darya Ganj, New Delhi (INDIA)		
	Tel. No. :	00 91 11 49404040			
Section 2	Composition	Grams/Litre	Ingredients	Grams/Litre	
	Ingredients				
	Peptone from soyabeans	5.00	Sodium chloride	8.00	
	Monopotassium phosphate	1.60	Magnesium chloride .6H2O	40.00	
	**Malachite green	0.04			
	Final pH (at 25°C)	5.2±0.2			
	* Irritant / Harmful material				
	Magnesium chloride .6H2O				
\wedge	CAS No. : 7791-18-6				
Skin irritation	R : 36/37/38 S : 26-36				
	RTECS : OM 2975000				
	Malachite green				
	CAS No. : 569-64-2				
	R : 20/21/22-38 S : 26-37/39				
Skin irritation	RTECS : BQ 1180000				
Section 3	Hazards Identification				
	Hazard : This symbol designates su	ubstances which may have	an irritant effect on skin, eyes and re	spiratory organs.	
	Caution : Do not breathe vapours and avoid contact with skin and eyes.				
Skin irritation					
	Hazard : Inhalation and ingestion of	of, or skin penetration by t	hese substances is harmful to one's h	ealth.Non-recurring,	
$\langle ! \rangle$	recurring or lengthy exposure to these substances may result in irreversible damage.				
Skin irritation			alation of the vapours and in cases of	malaise consult a doctor.	
Section 4	First - Aid Measures				
	In case of swallowing, wash out mouth with water provided person is conscious. In case of skin contact, flush with copious				
	in case of swanowing, wash out in	outh with water provided	person is conscious. In case of skin ee	miaci, nush with copious	
	-				
	amounts of water for at least 15 m	ninutes. Remove contamir	ated clothing and shoes. In case of inh	nalation, remove to fresh	
	amounts of water for at least 15 m air. If breathing becomes difficult,	ninutes. Remove contamin call physician. In case of c		nalation, remove to fresh amounts of water for at	
	amounts of water for at least 15 m air. If breathing becomes difficult,	ninutes. Remove contamin call physician. In case of c	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a	nalation, remove to fresh amounts of water for at	
Section 5	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate	ninutes. Remove contamin call physician. In case of c	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a	nalation, remove to fresh amounts of water for at	
Section 5	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures	ninutes. Remove contamir call physician. In case of c washing by separating th	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a	nalation, remove to fresh amounts of water for at	
Section 5	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray.	ninutes. Remove contamir call physician. In case of c washing by separating th	ated clothing and shoes.In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond	nalation, remove to fresh amounts of water for at itions, call a physician,	
Section 5	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe	ninutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S	ated clothing and shoes.In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear	nalation, remove to fresh amounts of water for at itions, call a physician,	
	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing	ninutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S	ated clothing and shoes.In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear	nalation, remove to fresh amounts of water for at itions, call a physician,	
Section 5 Section 6	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures	hinutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes.	halation, remove to fresh amounts of water for at litions, call a physician, selfcontained breathing	
	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g	hinutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes.	nalation, remove to fresh amounts of water for at litions, call a physician, selfcontained breathing	
Section 6	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil	hinutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes.	nalation, remove to fresh amounts of water for at litions, call a physician, selfcontained breathing	
	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage	hinutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes.	nalation, remove to fresh amounts of water for at litions, call a physician, selfcontained breathing	
Section 6	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8	hinutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes.	nalation, remove to fresh amounts of water for at litions, call a physician, selfcontained breathing	
Section 6 Section 7	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C	ninutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes.	halation, remove to fresh amounts of water for at litions, call a physician, selfcontained breathing	
Section 6	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8	ninutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes.	halation, remove to fresh amounts of water for at litions, call a physician, selfcontained breathing	
Section 6 Section 7	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal P Wear appropriate NIOSH/MSHA-a	hinutes. Remove contamin call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes.	nalation, remove to fresh amounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for waste	
Section 6 Section 7	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal P	hinutes. Remove contamin call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place e after material pickup is complete.	nalation, remove to fresh amounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for waste	
Section 6 Section 7	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal P Wear appropriate NIOSH/MSHA-a	hinutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chemi	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place e after material pickup is complete.	nalation, remove to fresh amounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for waste	
Section 6 Section 7 Section 8	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal P Wear appropriate NIOSH/MSHA-a Mechanical exhaust required.	ninutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chemi	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place e after material pickup is complete.	nalation, remove to fresh amounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for waste	
Section 6 Section 7 Section 8 Section 9	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal P Wear appropriate NIOSH/MSHA-a Mechanical exhaust required. Physical and Chemical Properti Appearance : Homogeneous powe Colour : Light yellow to light	hinutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chemi ies ler	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place e after material pickup is complete.	nalation, remove to fresh amounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for waste	
Section 6 Section 7 Section 8	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal P Wear appropriate NIOSH/MSHA-a Mechanical exhaust required. Physical and Chemical Properti Appearance : Homogeneous powe	hinutes. Remove contamir call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chemi ies ler	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place e after material pickup is complete.	nalation, remove to fresh amounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for waste	
Section 6 Section 7 Section 8 Section 9	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal P Wear appropriate NIOSH/MSHA-a Mechanical exhaust required. Physical and Chemical Properti Appearance : Homogeneous powe Colour : Light yellow to light Stability and Reactivity Stability : Product is stable if stored	ainutes. Remove contamir call physician. In case of c washing by separating the der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chemi ies ler blue d as per the conditions sp	ated clothing and shoes. In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place e after material pickup is complete.	halation, remove to fresh amounts of water for at litions, call a physician, selfcontained breathing in a bag and hold for waste ther protective clothing.	
Section 6 Section 7 Section 8 Section 9	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal P Wear appropriate NIOSH/MSHA-a Mechanical exhaust required. Physical and Chemical Propert Appearance : Homogeneous powe Colour : Light yellow to light Stability and Reactivity	ainutes. Remove contamir call physician. In case of c washing by separating the der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chemi ies ler blue d as per the conditions sp	ated clothing and shoes.In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place e after material pickup is complete.	halation, remove to fresh amounts of water for at litions, call a physician, selfcontained breathing in a bag and hold for waste ther protective clothing.	
Section 6 Section 7 Section 8 Section 9	amounts of water for at least 15 m air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal P Wear appropriate NIOSH/MSHA-a Mechanical exhaust required. Physical and Chemical Properti Appearance : Homogeneous powe Colour : Light yellow to light Stability and Reactivity Stability : Product is stable if stored	ainutes. Remove contamin call physician. In case of c washing by separating the der or appropriate foam. S to prevent contact with sl oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chemining ler blue d as per the conditions spin	ated clothing and shoes.In case of inh ontact with eyes, wash with copious a e eyelids with fingers. In serious cond Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place e after material pickup is complete.	halation, remove to fresh amounts of water for at litions, call a physician, selfcontained breathing in a bag and hold for waste ther protective clothing.	

Material Safety Data Sheet

Section 11	Toxicological Information			
	Acute Effects : May be harmful if swallowed.			
	Exposure can cause : Stomach pains, vomiting, diarrhoea. Prolonged or repeated exposure may			
	cause allergic reactions in certain sensitive individuals.			
	RTECS No. : OM 2975000 BQ 1180000 For complete information RTECS may be referred.			
Section 12	Ecological Information			
	Data not available			
Section 13	Disposal Considerations			
	On completion of work all used or unusable preparations of this product and derivatives thereof are to be disposed off by			
	autoclaving and/or by incineration. Dispose off waste in accordance with all applicable Federal, State and local laws.			
Section 14	Transport Information			
	UN No. : Not applicable.			
Section 15	Regulatory Information			
	Risk Phrases : Irritating to eyes, respiratory system and skin			
	Risk Phrases : Harmful by inhalation, in contact with skin and if swallowed			
	Risk Phrases : Irritating to skin			
	Safety Phrases : In case of contact with eyes, rinse immediately with plenty of water and seek medical advice			
	Safety Phrases : Wear suitable protective clothing			
	Safety Phrases : Avoid contact with skin and eyes			
	Safety Phrases: Wear suitable gloves and eye/face protection			
	Significance of signs : This symbol designates substances which may have an irritant effect on skin, eyes and respiratory organs.			
Skin irritation				
Skin irritation	Significance of signs : Inhalation and ingestion of, or skin penetration by these substances is harmful to one.s health. Non-recurring, recurring or lengthy exposure to these substances may result in irreversible damage.			
Section 16	Other Information			
	The information contained in this data sheet represents the best information currently available to us. However, no warrant			
	is made with respect to its completeness and we assume no liability resulting from its use. The information is offered solely			
	for user.s obligation to investigate and determine the suitability of the information for their particular purpose.
