## Material Safety Data Sheet

Bases / Media Supplements

Code No.	Product	Listeria Enrichment N DM1890A	vieaium Base (UVM)		
Section 1	: Chemical Identification				
Section 1	Code No.	DM1890A			
	Name of the Product :	Listeria Enrichment N	Aedium Base (LIV/M)		
	Produced by :	Central Drug House P	. ,		
	-	-			
	Address : 7/28 Vardaan House, Darya Ganj, New Delhi (INDIA) Tel. No. : 00 91 11 49404040				
<u> </u>				• •	
Section 2	Composition Ingredients	Grams/Litre	Ingredients	Grams/Litre	
	Casein enzmic hydroltsate	5.00	Proteose peptone	5.00	
	Beef extract	5.00	Yeast extract	5.00	
	Sodium chloride	20.00	Monopotassium dihydrogen phosphate	1.35	
	Disodium hydrogen phosphate	12.00	*Esculin	1.00	
	Final pH (at 25°C)	$7.4 \pm 0.2$	Escam	1.00	
	* Harmful material	7.4 ± 0.2			
	Esculin				
$\langle ! \rangle$	CAS No. : 531-75-9 R : 20-21-22				
Section 3	Hazards Identification				
	Hazards Identification Hazard : Inhalation and ingestion of, or skin penetration by these substances is harmful to one.s health.Non-recurring,				
	recurring or lengthy exposure to these substances may result in irreversible damage.				
	Caution : Avoid contact with the human body, including inhalation of the vapours and in cases of malaise consult a doctor.				
Section 4	First - Aid Measures				
5000014					
	In case of swallowing, wash out mouth with water provided person is conscious. In case of skin contact, flush with copious amounts of water for at least 15 minutes. Remove contaminated clothing and shoes. In case of inhalation, remove to fresh				
	amounts of water for at least 1E m	inutos Romovo contamir			
			nated clothing and shoes. In case of inl	halation, remove to fresh	
	air. If breathing becomes difficult,	call physician. In case of c	nated clothing and shoes. In case of inf contact with eyes, wash with copious a	halation, remove to fresh mounts of water for at	
	air. If breathing becomes difficult, least 15 minutes. Assure adequate	call physician. In case of c	nated clothing and shoes. In case of inl	halation, remove to fresh mounts of water for at	
Soction E	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label.	call physician. In case of c	nated clothing and shoes. In case of inf contact with eyes, wash with copious a	halation, remove to fresh mounts of water for at	
Section 5	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures	call physician. In case of c washing by separating th	nated clothing and shoes. In case of inf contact with eyes, wash with copious a	halation, remove to fresh mounts of water for at	
Section 5	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray.	call physician. In case of c washing by separating th	nated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious cond	halation, remove to fresh imounts of water for at itions, call a physician,	
Section 5	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. <b>Fire Fighting Measures</b> Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe	call physician. In case of c washing by separating th der or appropriate foam. S	nated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious condi- special fire-fighting procedures. Wear	halation, remove to fresh mounts of water for at itions, call a physician,	
Section 5	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray.	call physician. In case of c washing by separating th der or appropriate foam. S	nated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious condi- special fire-fighting procedures. Wear	halation, remove to fresh mounts of water for at itions, call a physician,	
Section 5 Section 6	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. <b>Fire Fighting Measures</b> Extinguishing Media. Water spray. Carbon dioxide, dry chemical powe	call physician. In case of c washing by separating th der or appropriate foam. S	nated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious condi- special fire-fighting procedures. Wear	halation, remove to fresh imounts of water for at itions, call a physician,	
	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. <b>Fire Fighting Measures</b> Extinguishing Media. Water spray. Carbon dioxide, dry chemical pow apparatus and protective clothing <b>Accidental Release Measures</b>	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s	nated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious condi- special fire-fighting procedures. Wear	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing	
	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and	nated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious condi Special fire-fighting procedures. Wear kin and eyes.	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing	
Section 6	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. <b>Fire Fighting Measures</b> Extinguishing Media. Water spray. Carbon dioxide, dry chemical pow apparatus and protective clothing <b>Accidental Release Measures</b> Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and	hated clothing and shoes. In case of inf contact with eyes, wash with copious a be eyelids with fingers. In serious condi- Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing	
	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and	hated clothing and shoes. In case of inf contact with eyes, wash with copious a be eyelids with fingers. In serious condi- Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing	
Section 6	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical power apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and	hated clothing and shoes. In case of inf contact with eyes, wash with copious a be eyelids with fingers. In serious condi- Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing	
Section 6 Section 7	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical power apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and ate area and wash spill sit	hated clothing and shoes. In case of inf contact with eyes, wash with copious a be eyelids with fingers. In serious condi- Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing	
Section 6 Section 7	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal F	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and ate area and wash spill sit Protection	nated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious condi Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place te after material pickup is complete.	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for wast	
Section 6 Section 7	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal F Wear appropriate NIOSH/MSHA-a	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and ate area and wash spill sit Protection	hated clothing and shoes. In case of inf contact with eyes, wash with copious a be eyelids with fingers. In serious condi- Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal F Wear appropriate NIOSH/MSHA-a Mechanical exhaust required.	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chem	nated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious condi Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place te after material pickup is complete.	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for wast	
Section 6	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal F Wear appropriate NIOSH/MSHA-a Mechanical exhaust required. Physical and Chemical Propert	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chem	nated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious condi Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place te after material pickup is complete.	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for was	
Section 6 Section 7 Section 8	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. <b>Fire Fighting Measures</b> Extinguishing Media. Water spray. Carbon dioxide, dry chemical power apparatus and protective clothing <b>Accidental Release Measures</b> Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil <b>Handling and Storage</b> Handling - Refer to Section 8 Storage - Store below 30°C <b>Exposure Controls / Personal F</b> Wear appropriate NIOSH/MSHA-a Mechanical exhaust required. <b>Physical and Chemical Propert</b> Appearance : Homogeneous power	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chem	nated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious condi Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place te after material pickup is complete.	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for was	
Section 6 Section 7 Section 8 Section 9	<ul> <li>air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label.</li> <li>Fire Fighting Measures</li> <li>Extinguishing Media. Water spray. Carbon dioxide, dry chemical power apparatus and protective clothing</li> <li>Accidental Release Measures</li> <li>Wear respirator, chemical safety ge disposal. Avoid raising dust. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and ate area and wash spill sit Protection pproved respirator, chem ies ler d as per the conditions sp t.	hated clothing and shoes. In case of inf contact with eyes, wash with copious a ne eyelids with fingers. In serious condi- Special fire-fighting procedures. Wear kin and eyes. heavy rubber gloves. Sweep up, place te after material pickup is complete. ical-resistant gloves, safety goggles, ot	halation, remove to fresh mounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for wast	
Section 6 Section 7 Section 8 Section 9	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. Fire Fighting Measures Extinguishing Media. Water spray. Carbon dioxide, dry chemical power apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal F Wear appropriate NIOSH/MSHA-a Mechanical exhaust required. Physical and Chemical Propert Appearance : Homogeneous power Colour : Cream to light tan Stability and Reactivity Stability : Product is stable if store potency/performance above 45°C Conditions to avoid : Heat and ligh Hazardous polymerization will not	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with s oggles, rubber boots and ate area and wash spill sit <b>Protection</b> pproved respirator, chem ler d as per the conditions sp t. occur.	hated clothing and shoes. In case of informated clothing and shoes. In case of informated with eyes, wash with copious a me eyelids with fingers. In serious condi- Special fire-fighting procedures. Wear kin and eyes. Theavy rubber gloves. Sweep up, place the after material pickup is complete.	halation, remove to fresh imounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for was ther protective clothing.	
Section 6 Section 7 Section 8 Section 9 Section 10	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. <b>Fire Fighting Measures</b> Extinguishing Media. Water spray. Carbon dioxide, dry chemical power apparatus and protective clothing <b>Accidental Release Measures</b> Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil <b>Handling and Storage</b> Handling - Refer to Section 8 Storage - Store below 30°C <b>Exposure Controls / Personal F</b> Wear appropriate NIOSH/MSHA-a Mechanical exhaust required. <b>Physical and Chemical Propert</b> Appearance : Homogeneous power Colour : Cream to light tan <b>Stability and Reactivity</b> Stability : Product is stable if store potency/performance above 45°C Conditions to avoid : Heat and ligh Hazardous polymerization will not	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with si oggles, rubber boots and ate area and wash spill sit <b>Protection</b> pproved respirator, chem ies ler d as per the conditions sp t. occur. wallowed.	hated clothing and shoes. In case of informated clothing and shoes. In case of informated with eyes, wash with copious a me eyelids with fingers. In serious condi- Special fire-fighting procedures. Wear kin and eyes. Theavy rubber gloves. Sweep up, place the after material pickup is complete.	halation, remove to fresh imounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for was ther protective clothing.	
Section 6 Section 7 Section 8 Section 9 Section 10	air. If breathing becomes difficult, least 15 minutes. Assure adequate show the container or label. <b>Fire Fighting Measures</b> Extinguishing Media. Water spray. Carbon dioxide, dry chemical power apparatus and protective clothing <b>Accidental Release Measures</b> Wear respirator, chemical safety g disposal. Avoid raising dust. Ventil <b>Handling and Storage</b> Handling - Refer to Section 8 Storage - Store below 30°C <b>Exposure Controls / Personal F</b> Wear appropriate NIOSH/MSHA-a Mechanical exhaust required. <b>Physical and Chemical Propert</b> Appearance : Homogeneous power Colour : Cream to light tan <b>Stability and Reactivity</b> Stability : Product is stable if store potency/performance above 45°C Conditions to avoid : Heat and ligh Hazardous polymerization will not	call physician. In case of c washing by separating th der or appropriate foam. S to prevent contact with si oggles, rubber boots and ate area and wash spill sit <b>Protection</b> pproved respirator, chem ies ler d as per the conditions sp t. occur. wallowed.	Anated clothing and shoes. In case of information of the eyes, wash with copious a me eyelids with fingers. In serious condi- Special fire-fighting procedures. Wear kin and eyes. The evy rubber gloves. Sweep up, place the after material pickup is complete.	halation, remove to fresh imounts of water for at itions, call a physician, selfcontained breathing in a bag and hold for was ther protective clothing.	

	Data not available			
Section 13	Disposal Considerations			
	On completion of work all used or unusable preparations of this product and derivatives thereof are to be disposed off by autoclaving and/or by incineration. Dispose off waste in accordance with all applicable Enderel. State and local laws			
Section 14	autoclaving and/or by incineration. Dispose off waste in accordance with all applicable Federal, State and local laws. Transport Information			
	UN No. : Not applicable.			
Section 15	Regulatory Information			
	Risk Phrases : Harmful by inhalation			
	Risk Phrases : Harmful in contact with skin			
	Risk Phrases : Harmful if swallowed			
Skin irritation	Significance of signs : Inhalation and ingestion of, or skin penetration by these substances is harmful to one.s health. Non-recurring, recurring or lengthy exposure to these substances may result in irreversible damage.			
Section 16	Other Information
