Material Safety Data Sheet

microgen
Dehydrated Culture Media Bases / Media Supplements

Name of the Product Code No.		MacConkey Agar w/ 0.15% Bile Salts, CV and NaCl DM 1081			
Section 1	: Chemical Identification Code No. : Name of the Product : Produced by : Address : Tel. No. :	DM 1081 MacConkey Agar v Central Drug Hous	se, Darya Ganj, New Delhi (INDIA)		
Section 2	Composition Ingredients	Grams/Litre	Ingredients	Grams/Litre	
	Pancreatic digest of gelatin	17.00	Casein enzymic hydrolysate	1.50	
	Peptic digest of animal tissue	1.50	Lactose	10.00	
	*Bile salts	1.50	Sodium chloride	5.00	
	*Neutral red	0.03	Crystal violet	0.001	
	Agar	15.00			
	Final pH (at 25°C)	7.1 ±0.2			
	* Harmful / Dangerous for environment material				
	Bile salts				
Skin initiation	S : 22-24/25				
Skillinauon	Neutral red				
\wedge	CAS No. : 553-24-2				
\checkmark	R : 22 S : 22-24/25				
Skin irritation	RTECS : SG 1400000				
Section 3	Hazards Identification Hazard : This symbol designates substances which may have an irritant effect on skin, eyes and respiratory organs. Caution : Do not breathe vapours and avoid contact with skin and eyes.				
Skin irritation			th skin the eyes.		
Skin irritation Skin irritation	recurring or lengthy exposure to	of, or skin penetratic these substances may	on by these substances is harmful to one's	-	
Skin Irritation Skin Irritation	recurring or lengthy exposure to Caution : Avoid contact with the I	of, or skin penetratic these substances may	on by these substances is harmful to one's result in irreversible damage.	-	
Skin inflation Skin inflation	recurring or lengthy exposure to Caution : Avoid contact with the l doctor. First - Aid Measures In case of swallowing, wash out n amounts of water for at least 15 fresh air. If breathing becomes di for at least 15 minutes. Assure ad	n of, or skin penetratic these substances may human body, including mouth with water prov minutes. Remove con fficult, call physician. I lequate washing by se	on by these substances is harmful to one's result in irreversible damage.	f malaise consult a contact,flush with copiou nhalation, remove to ppious amounts of water	
Section 5	recurring or lengthy exposure to Caution : Avoid contact with the l doctor. First - Aid Measures In case of swallowing, wash out n amounts of water for at least 15 of fresh air. If breathing becomes di	n of, or skin penetratic these substances may human body, including mouth with water prov minutes. Remove con fficult, call physician. I lequate washing by se	on by these substances is harmful to one's result in irreversible damage. g inhalation of the vapours and in cases of vided person is conscious. In case of skin of taminated clothing and shoes. In case of i In case of contact with eyes, wash with co	f malaise consult a contact,flush with copiou nhalation, remove to ppious amounts of water	
	recurring or lengthy exposure to Caution : Avoid contact with the l doctor. First - Aid Measures In case of swallowing, wash out n amounts of water for at least 15 m fresh air. If breathing becomes di for at least 15 minutes. Assure ad physician, show the container or Fire Fighting Measures Extinguishing Media. Water spray Carbon dioxide, dry chemical pow apparatus and protective clothing	n of, or skin penetratic these substances may human body, including mouth with water prov minutes. Remove con fficult, call physician. I lequate washing by se label.	on by these substances is harmful to one's result in irreversible damage. g inhalation of the vapours and in cases of vided person is conscious. In case of skin of taminated clothing and shoes. In case of i In case of contact with eyes, wash with co sparating the eyelids with fingers. In serior	f malaise consult a contact,flush with copiou nhalation, remove to opious amounts of water us conditions, call a	
	recurring or lengthy exposure to Caution : Avoid contact with the l doctor. First - Aid Measures In case of swallowing, wash out n amounts of water for at least 15 if fresh air. If breathing becomes di for at least 15 minutes. Assure ad physician, show the container or Fire Fighting Measures Extinguishing Media. Water spray Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety	n of, or skin penetratic these substances may human body, including mouth with water prov minutes. Remove con fficult, call physician. I lequate washing by se label. v. vder or appropriate fo g to prevent contact w goggles, rubber boots	on by these substances is harmful to one's result in irreversible damage. g inhalation of the vapours and in cases of vided person is conscious. In case of skin of taminated clothing and shoes. In case of i In case of contact with eyes, wash with co eparating the eyelids with fingers. In serior wam. Special fire-fighting procedures. Wea vith skin and eyes.	f malaise consult a contact,flush with copiou nhalation, remove to opious amounts of water us conditions, call a ar selfcontained breathin ce in a bag and hold for	
Section 5 Section 6	recurring or lengthy exposure to Caution : Avoid contact with the l doctor. First - Aid Measures In case of swallowing, wash out n amounts of water for at least 15 if fresh air. If breathing becomes di for at least 15 minutes. Assure ad physician, show the container or Fire Fighting Measures Extinguishing Media. Water spray Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety	n of, or skin penetratic these substances may human body, including mouth with water prov minutes. Remove con fficult, call physician. I lequate washing by se label. v. vder or appropriate fo g to prevent contact w goggles, rubber boots	on by these substances is harmful to one's result in irreversible damage. g inhalation of the vapours and in cases of vided person is conscious. In case of skin of taminated clothing and shoes. In case of i In case of contact with eyes, wash with co eparating the eyelids with fingers. In serior parating the eyelids with fingers. In serior pam. Special fire-fighting procedures. Wea vith skin and eyes.	f malaise consult a contact,flush with copiou nhalation, remove to opious amounts of water us conditions, call a ar selfcontained breathin ce in a bag and hold for	
Section 5 Section 6 Section 7	recurring or lengthy exposure to Caution : Avoid contact with the l doctor. First - Aid Measures In case of swallowing, wash out n amounts of water for at least 15 of fresh air. If breathing becomes di for at least 15 minutes. Assure ad physician, show the container or Fire Fighting Measures Extinguishing Media. Water spray Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety waste disposal. Avoid raising dust Handling and Storage Handling - Refer to Section 8	n of, or skin penetratic these substances may human body, including mouth with water prov minutes. Remove con fficult, call physician. I lequate washing by se label. /. vder or appropriate for g to prevent contact w goggles, rubber boots t. Ventilate area and v	on by these substances is harmful to one's result in irreversible damage. g inhalation of the vapours and in cases of vided person is conscious. In case of skin of taminated clothing and shoes. In case of i In case of contact with eyes, wash with co eparating the eyelids with fingers. In serior wam. Special fire-fighting procedures. Wea vith skin and eyes.	f malaise consult a contact,flush with copiou nhalation, remove to opious amounts of water us conditions, call a ar selfcontained breathin ce in a bag and hold for	
Section 5 Section 6 Section 7	recurring or lengthy exposure to Caution : Avoid contact with the l doctor. First - Aid Measures In case of swallowing, wash out n amounts of water for at least 15 if fresh air. If breathing becomes di for at least 15 minutes. Assure ad physician, show the container or Fire Fighting Measures Extinguishing Media. Water spray Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety waste disposal. Avoid raising dust Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C	n of, or skin penetratic these substances may human body, including mouth with water prov minutes. Remove con fficult, call physician. I lequate washing by se label. // vder or appropriate for goggles, rubber boots t. Ventilate area and v	on by these substances is harmful to one's result in irreversible damage. g inhalation of the vapours and in cases of vided person is conscious. In case of skin of taminated clothing and shoes. In case of i In case of contact with eyes, wash with co eparating the eyelids with fingers. In serior wam. Special fire-fighting procedures. Wea vith skin and eyes.	f malaise consult a contact,flush with copiou nhalation, remove to opious amounts of water us conditions, call a ar selfcontained breathin ce in a bag and hold for plete.	
Section 5	recurring or lengthy exposure to Caution : Avoid contact with the l doctor. First - Aid Measures In case of swallowing, wash out n amounts of water for at least 15 of fresh air. If breathing becomes di for at least 15 minutes. Assure ad physician, show the container or Fire Fighting Measures Extinguishing Media. Water spray Carbon dioxide, dry chemical pow apparatus and protective clothing Accidental Release Measures Wear respirator, chemical safety waste disposal. Avoid raising dust Handling and Storage Handling - Refer to Section 8 Storage - Store below 30°C Exposure Controls / Personal Wear appropriate NIOSH/MSHA-	n of, or skin penetratic these substances may human body, including mouth with water prov minutes. Remove con fficult, call physician. I lequate washing by se label. v. vder or appropriate fo g to prevent contact w goggles, rubber boots t. Ventilate area and v Protection approved respirator, o	on by these substances is harmful to one's result in irreversible damage. g inhalation of the vapours and in cases of vided person is conscious. In case of skin of taminated clothing and shoes. In case of i In case of contact with eyes, wash with co eparating the eyelids with fingers. In serior wam. Special fire-fighting procedures. Wea vith skin and eyes.	f malaise consult a contact,flush with copiou nhalation, remove to opious amounts of water us conditions, call a ar selfcontained breathin ce in a bag and hold for plete.	

Section 10	Stability and Reactivity			
	Stability : Product is stable if stored as per the conditions specified under storage of Section No. 7. Product loses its potency/performance above 45°C. Conditions to avoid : Heat and light.			
Section 11	Toxicological Information			
	Acute Effects : May be harmful if swallowed. Exposure can cause : Stomach pains, vomiting, diarrhoea. Prolonged or repeated exposure may cause allergic reactions in certain sensitive individuals. RTECS No. : SG 1400000 For complete information RTECS may be referred.			
Section 12	Ecological Information			
	Data not available			
Section 13	Disposal Considerations			
	On completion of work all used or unusable preparations of this product and derivatives thereof are to be disposed off by autoclaving and/or by incineration. Dispose off waste in accordance with all applicable Federal, State and local laws.			
Section 14	Transport Information			
	UN No. : Not applicable.			
Section 15	Regulatory Information Risk Phrases : Harmful if swallowed Safety Phrases : Do not breathe dust Safety Phrases : Avoid contact with skin and eyes			
Skin irritation	Significance of signs : This symbol designates substances which may have an irritant effect on skin, eyes and respiratory organs.			
Skin irritation	Significance of signs : Inhalation and ingestion of, or skin penetration by these substances is harmful to one's health. Non-recurring, recurring or lengthy exposure to these substances may result in irreversible damage.			
Section 16	Other Information			
	The information contained in this data sheet represents the best information currently available to us. However,no warranty is made with respect to its completeness and we assume no liability resulting from its use. The information is offered solely for user's obligation to investigate and determine the suitability of the information for their particular purpose.
