## GLYCINE BENZYL ESTER HCL FOR BIOCHEMISTRY

|                             |                           |
|-----------------------------|---------------------------|
| PRODUCT CODE                | 106285                    |
| SYNONYMS                    | Benzyl glycinate          |
| C.I. NO.                    | --                        |
| CASR NO.                    | 2462-31-9                 |
| ATOMIC OR MOLECULAR FORMULA | $C_9H_{11}NO_2 \cdot HCl$ |
| ATOMIC OR MOLECULAR WEIGHT  | 201.65                    |
| PROPERTIES                  | --                        |

| PARAMETER | LIMIT |
|-----------|-------|
|-----------|-------|

|                     |                                                          |
|---------------------|----------------------------------------------------------|
| Description         | White powder.                                            |
| Solubility          | 5.0% solution in methyl alcohol is clear and colourless. |
| Minimum assay (TLC) | 98.0%                                                    |

**Note(s):** Assay (if applicable) method mentioned.
