### 5M DIETHANOLAMINE SUBSTRATE BUFFER FOR PHOSPHATASE (5M DEA w/ 2.5mm MgCl<sub>2</sub>)

|                                                          |                                  |
|----------------------------------------------------------|----------------------------------|
| <b>PRODUCT CODE</b>                                      | <b>824875</b>                    |
| <b>SYNONYMS</b>                                          | --                               |
| <b>C.I. NO.</b>                                          | --                               |
| <b>CASR NO.</b>                                          | --                               |
| <b>ATOMIC OR MOLECULAR FORMULA</b>                       | --                               |
| <b>ATOMIC OR MOLECULAR WEIGHT</b>                        | --                               |
| <b>PROPERTIES</b>                                        | --                               |
| <b>PARAMETER</b>                                         | <b>LIMIT</b>                     |
| Description                                              | Clear colourless viscous liquid. |
| pH                                                       | ~9.8                             |
| Suitability as substrate buffer for alkaline phosphatase | Passes test                      |
| DNase, RNase, Protease                                   | Not detected                     |
| <b>Note(s) : Assay (if applicable) method mentioned.</b> |                                  |
| <b>WARNING--</b>                                         | IMDG Code : --                   |
| <b>HAZARD STATEMENTS :--</b>                             | UN No. : --                      |
| <b>PRECAUTIONARY STATEMENTS :--</b>                      | IATA : --                        |
| <b>Prevention :--</b>                                    |                                  |
| <b>Response :--</b>                                      |                                  |
| <b>Disposal:--</b>                                       |                                  |
| <b>Hazard Pictogram(s) :</b>                             |                                  |
