

## Technical Information

### Mineral Oil Cell Culture Tested

Product Code:TC1600

### Product Information

|                   |                                    |
|-------------------|------------------------------------|
| Product Code      | : TC1600                           |
| Product Name      | : Mineral Oil, Cell Culture Tested |
| Molecular Formula | : --                               |
| Molecular Weight  | : --                               |
| CAS No.           | : 8042-47-5                        |

### Technical Specification

|                           |                            |
|---------------------------|----------------------------|
| Appearance                | : Clear colourless liquid. |
| Solubility                | : Insoluble in water.      |
| Weight per ml (at 25°C)   | : 0.8390 - 0.8590 g/ml     |
| Refractive index (n 20/D) | : ~ 1.467                  |
| Cell Culture Test         | : Passes test              |

### Risk And Safety Information

|                         |                    |
|-------------------------|--------------------|
| WGK                     | : 1                |
| RTECS                   | : PY8047000        |
| Flash Point(°F)         | : >233.6 °F        |
| Flash Point(°C)         | : >112 °C          |
| Storage Temperature(°C) | : Store below 30°C |

### Transport Information

|                  |                       |
|------------------|-----------------------|
| Marine Pollutant | : No                  |
| ADR/RID          | : Not Dangerous Goods |
| IMDG             | : Not Dangerous Goods |
| IATA             | : Not Dangerous Goods |

### Disclaimer :

- User must ensure suitability of the product(s) in their application prior to use.
- The product conforms solely to the technical information provided in this booklet and to the best of knowledge research and development work carried at **CDH** is true and accurate.
