PRODUCT CODE	865310		
SYNONYMS			
C.I. NO.	-		
CASR NO.			
ATOMIC OR MOLECULAR FORMULA			
ATOMIC OR MOLECULAR WEIGHT	-		
PROPERTIES			
PARAMETER	LIMIT		
Description	Clear colourless liquid.		
Solubility	Miscible with water.		
Assay (By specific gravity)	49-51% v/v		
Note(s) : Assay (if applicable) method	mentioned.		
DANGER		IMDG Code : 3/II	II
Hazard statements: May cause drowsiness a	and dizziness. Highly flammable liquid and vapour. Fatal if inhaled. Toxic		
-	ises mild skin irritation. Causes eye irritation. Causes damage to	IATA : 3	
organs through prolonged or repeated expo	osure.		
PRECAUTIONARY STATEMENTS :			
	en using this product. Wash hands thoroughly after handling. Wear		
	iner and receiving equipment. Do not breathe		
dust/fume/gas/mist/vapours/spray.			
Wear protective gloves/clothing. Use only o	outdoors or in a well ventilated area.Wear protective gloves and
